4. Talk about membership and June meeting
5. ... open discussion

Note: Refreshments will be provide

Special Request:

From: Linda Sherwood

I am looking at opportunities for women in non-traditional careers to meet with gubernatorial candidate Rosa Scarcelli. It would be great to either have her attend an event, or schedule a gathering where group members can meet with Rosa to discuss issues that concern them in their professional roles, etc. Please let me know how we can learn more about MWIES and how the members can have a voice in Augusta.
